Prize for best paper on European business history delivered at the European Business History Association's annual meeting in Glasgow 26-28 August 2010

The European Business History Association (EBHA) decided in 2008 that the Association would launch a new prize to be awarded at the EBHA annual meetings. The prize is for the best paper on European business history presented at the meeting and was awarded for the first time in Milan in 2009. The 2010 prize will now be awarded at the Glasgow meeting in August 2010. It will consist of a certificate and a cash prize of €350.00. The winner will be announced and the prize presented at the gala conference dinner on the evening of 28 August 2010.

Eligible are papers, which comply with the following three criteria

1) the paper is on European business history

and

2) the paper is related to the conference theme

and

3) the paper is delivered electronically on or before the deadline (30 July 2010) to the email address below.

The term "European business history" is defined broadly, but it is related to the topic of the paper, NOT to the author's nationality or place of residence.

Those who are interested to participate in the competition should send their papers as a Word document or a PDF file by email to ebhapaperprize@lbss.gla.ac.uk by 30 July 2010. Submissions received after this date will not be considered.
